Dookie is a small town with a lot to offer anyone looking to celebrate Mum! Those keen for a walk, head to the Dookie Rail Trail or the Mulana Nin Iyoga Walking Track up Mount Major. For food, duck into the Dookie General Store for their iconic burger for lunch and take it across the road for a picnic in the CWA Gardens. While you're in the main street look out for the Nomadic Silo Art. For the Mum who likes a glass of wine, head to Rye at Tallis for a local drop, enjoyed with a view.

**TIP:** After burning off some energy, make sure to stop into the Dookie General Store for a local favourite, the burger.
