

**TAKE TIME OUT IN TATURA**

# Explore, engage and enjoy Tatura

Walk in the footsteps of our local heroes and discover the rich history and heritage of Tatura and the surrounding region.

# TATURA

**SPEND A COUPLE OF DAYS HERE**

## ACCOMMODATION

Stay and experience the vibrant small town of Tatura, a perfect base for you to explore the Goulburn Valley, one of Australia's original food bowls. Offering award winning accommodation, there are a variety of options for every need. Motels, Heritage Homes, and Tourist Parks located here whose hospitality goes unmatched.

After a full day of touring and soaking in the sights, enjoy basking in the serene and picturesque outdoors with a beverage of choice.

## EAT

This small town really packs a punch with their selection of eateries. To cover breakfast and to fuel that caffeine addiction, make sure to stop into one of the lovely bakeries or cafes down the main drag, and don't forget to grab an award winning treat from Tatura Hot Bread for afternoon tea. Lunch and dinner have you covered, from a simply delicious pub meal to Asian and Mediterranean cuisines, there is a wonderfully culturally diverse range for you to try.

### HINT:

Don't forget to check out our great local supermarkets, they offer a wide selection of goods and local produce, perfect to put together a picnic to enjoy in Cussen Park

## EXPERIENCE

**Tatura Irrigation and Wartime Camps Museum**

Take the opportunity to explore the irrigation history of the Goulburn Valley, as well as the unique history of internment and POW camps from WWII. Be sure to ask about the German War Cemetery located in the Tatura area.

**Victoria Cross Memorial Garden**

Take a stroll around these beautiful gardens and pay tribute to Tatura's servicemen and women from both World Wars and Vietnam.

**Stuart Mock Place**

It's glass murals depict the history, development, and future projection of Tatura, whilst also emphasising the importance of the Sun, Earth and Water.

### HOT TIP:

Tatura is well known for doubling its population each January when hosting the southern hemisphere's largest dairy show, International Dairy Week

Arrive, unwind, and explore at your own pace

## PUBLIC ART

### Tatura Water Tower

The water tower features a portrait of General Sir John Monash, a WW1 Veteran and renowned civil engineer who also designed the water tower. On the other side features a waterfall of beautiful Poppies as a tribute to the regions' significant Anzac legacy.

Find the murals located at Lake Bartlett, designed and painted by local artists and students. Make your way around the town to see more more amazing art.

## SHOP

Hogan Street Tatura is where you will find a kaleidoscope of retail opportunities for you to explore. With two local supermarkets, beautiful homewares and clothing boutiques, hardware stores, award winning butchers and bakeries who supply locally made meats and produce, opportunity shops, and more. Take a stroll and find yourself something special!

## HOT TIP:

Visit Cussens Park and take part in the 'Soundwalk' via a QR code you can hear lots of information about the local habitat.

## LOCAL SECRETS

As you are walking along Hogan Street Tatura, you will find it is steeped in History. The foundation stone of Victory Hall was laid in 1925, and is often where major community events are held through the year. You will also find the historic Sacred Heart Convent, which is now part of Sacred Heart School.

## SPORTING CLUBS

For the fitness enthusiasts, Tatura is well catered for with a 24/7 Gym, Hilltop Golf Course, a swimming complex open seasonally, as well as a variety of other sporting facilities available year round. For those wanting a nice walk, jog or are up for a run, Tatura has many tracks and trails to follow.
