# 1000 Books Before School

The 1000 Books Before School program is open to all children aged 0-6 years.

Register at any GV Library and pick up your tote bag, reading record and stickers.

Each time a book is read to a child, a sticker is placed on their reading record. This includes books that a child listens to at Story Time, child care or kindergarten.

When a reading milestone has been achieved (e.g. 100 books), they are rewarded with a small prize, a new reading record and stickers for the next 100 books.
