

sam. kids party.

You're all invited to join the Global Sew A Softie party at SAM!

As part of the Children's Museum of Arts, New York City, CIVICKIDS campaign, SAM will host a drop-in sewing party for kids of all ages. Using simple hand-sewing techniques and their imaginations children will sew a soft toy. In keeping with the CIVICKIDS February theme of kindness and caring we encourage all children to give their softie to someone in their community.
