

Covid Safe Events Plan Training

Are you holding an event and need to complete a Covid “Return to Action” Event Plan for Greater Shepparton?

Are you not sure where to start, what to do, who to talk with, what’s required?

Greater Shepparton City Council are here to help and have organised the following Training Session to assist with all your queries:

Join us on **Wednesday 2nd December**

Time: **Commencing at 6.00pm**

Guest speaker: Bea Tomlin from Beaspoke Training is a Risk & Safety Consultant who will conduct an initial training session for our region.

If you are wanting to attend, please register via email to **events@shepparton.vic.gov.au** by **Tuesday December 1** and we will contact you with further information and the zoom log in meeting details.

For further information, please contact **Megan Treacy** on **0400 572 394**.

This training forms part of Councils Covid-19 Economic Response Stage 2 package. This will see a Events Capacity Building Program developed to enable event organisers to implement and adapt to the Covid-19 environment.
